

Keystone Aerial Survey, Inc.
Job Description -- Production Technician

Production Technician – Keystone Aerial Surveys Inc.

Keystone Aerial Surveys Inc., a Vexcel company is looking for a **Production Technician**. We are a leading provider of high-resolution aerial imagery and geospatial data, aerial camera systems, 3D data, and fully integrated photogrammetric software. Our data services are used in a variety of industry solutions worldwide such as local and federal government programs, financial services, insurance, telecommunications, environmental, energy & utilities, mining, and many others that require the most accurate view of cities and lands in a consumable, digital format.

BASIC FUNCTION

The basic function of the Production Technician is to perform:

- Digital ortho production including performing AT, radiometry, tile manipulation, and QC as necessary
- Digital Imagery production from raw imagery download to deliverables including radiometry, quality assurance, etc.
- Production of DSM and DEM editing for ortho production and product delivery as necessary.
- Use internal software to manage the delivery of imagery to clients
- Use and create scripts to manipulate imagery and metadata
- Interaction between Project Managers, clients, and production teams to meet specifications and deadlines
- Quality Control of all stages of imagery deliverables
- Management of ortho production by sub-contractors

JOB REQUIREMENTS

- EDUCATION
 - Required: High School Diploma
 - Preferred: BS/BA in a Geospatial field
- EXPERIENCE
 - Required: 2 or more years of experience in the geospatial industry.
 - Preferred: 2 or more years of experience in the photogrammetric industry.
- SKILLS, KNOWLEDGE, AND ABILITIES
 - Experience with the following is preferred:
 - INPHO photogrammetry suite or similar product
 - ESRI Suite, Global Mapper, and/or QGIS
 - UltraCam sensors and post processing software (UltraMap)
 - Applanix PosPac
 - Programming or scripting for Windows and/or ESRI software (Python)

Keystone Aerial Survey, Inc.
